

# BATTLETOME: FLESH-EATER COURTS

## Official Errata, January 2021

The following errata correct errors in *Battletome: Flesh-eater Courts*. The errata are updated regularly; when changes are made any changes from the previous version will be highlighted in magenta. Where the date has a note, e.g. 'Revision 2', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.

### **Page 55 – Allegiance Abilities, Battle Traits, Grand Courts**

Add the following text to the end of the rule:

'If a model already has a Grand Court keyword on its warscroll, it cannot gain another one. This does not preclude you from including the unit in your army, but you cannot use the allegiance abilities for its Grand Court.'

### **Page 55 – Feeding Frenzy**

Change the first sentence of the rule to:

'You can use this command ability in the combat phase after a friendly **FLESH-EATER COURTS** unit has fought for the first time in that phase and is wholly within 12" of a friendly **FLESH-EATER COURTS HERO**, or wholly within 18" of a friendly **FLESH-EATER COURTS HERO** that is a general.'

### **Page 57 – Medal of Madness**

Change the rule to:

'Once per battle round, the bearer can use the At the Double, Forward to Victory or Inspiring Presence command ability from the core rules as if they were a general, without a command point being spent.'

### **Page 61 – Ruler of All He Surveys**

Change the second sentence to:

'In addition, an Abhorrant Ghoul King that is within 1" of this terrain feature can use the Summon Men-at-arms command ability without a command point being spent.'

(i.e. Remove the keyword formatting from 'Abhorrant Ghoul King' in the rule; the rule should only affect models from the Abhorrant Ghoul King warscroll.)

### **Page 62 – Heaving Masses**

Add the following:

'You cannot use this command ability more than once per phase.'

### **Page 65 – Savage Strike**

Change to:

'This general and their mount fight at the start of the combat phase if they made a charge move in the same turn. This general and their mount cannot fight again in that combat phase unless a spell or ability allows them to fight more than once.'

### **Page 73 – Warscroll Battalions, Royal Family**

Change the battalion organisation to:

'A Royal Family consists of the following units:

- 1 Abhorrant Archregent, or 1 Abhorrant Ghoul King on Royal Terrorgheist, or 1 Abhorrant Ghoul King on Royal Zombie Dragon
- 2-6 Abhorrant Ghoul Kings that do not have mounts'

### **Page 86 – Soul Stealer**

Add the following:

'The player whose turn is taking place must pick which eligible **FLESH-EATER COURTS** units are affected.'
