

KILL TEAM: ELITES

Official Update, August 2019

Although we strive to ensure that our rules are perfect, sometimes mistakes do creep in, or the intent of a rule isn't as clear as it might be. These documents collect amendments to the rules and present our responses to players' frequently asked questions. This document is updated regularly; when changes are made, any changes from the previous version will be highlighted in magenta. Where the publication date has a note, e.g. 'Revision 2', this means it has had a local update, only in that language, to clarify a translation issue or other minor correction.
